Continuation of statement of ABDUL MOZOMIL

When the fight took place the people who were sitting at table 1, 3 and 11 were still in the building.

Only the people from table 3, the three asian men had left before the police arrived.

I have seen the two Asian youths from table 7 in the restaurant about two times before tonight. The last time was about five or six weeks ago.

On the times they have been before they have been very abusive towards ~~and swore at~~ the waiters.

I would be able to recognise them both again.

I have never seen the girl before but I think I would be able to recognise her again.

When I'm at work I wear a red "waiters" coat. I had this on today with a shirt and tie.

ASIAN 3A/'s This build - chest shaver long black hair side parting black trousers red jumper brown jacket.
